

TriLite Technologies is a fast-growing Augmented Reality company based in Vienna, Austria & Palo Alto, California. We develop next-generation laser micro-projectors to enable the Augmented/Virtual/Mixed Reality head-mounted displays of the future.

To successfully continue our growth ambitious, we are looking for an

**Project Manager (full-time)**  
(female/male)

**Your responsibilities:**

- Determine and define project scope and objectives
- Resource planning to meet objectives and manage resources in an effective and efficient manner
- Project budgeting and cost tracking
- Develop and manage a detailed project schedule and work plan
- Provide project updates and report on a consistent basis
- Use industry best practice, techniques and standard throughout entire project execution
- Monitor project progress and define countermeasure if needed
- Measure project performance to identify areas of improvement

**Your qualifications:**

- Bachelor's degree in Optical Engineering, Electrical Engineering, Physics, or a related technical discipline with 4+ years of industry experience in project management
- Project Management Professional (PMP) certification preferred
- Proven ability to solve problems creatively
- Strong familiarity with project management software tools, methodologies and best practices
- Proven ability to complete projects according to outlined scope, budget and timeline
- Excellent knowledge of spoken and written English (International applicants: Knowledge of the German language a plus).
- Ability to work as an autonomous and flexible developer in an interdisciplinary team
- Outgoing personality and good communication skills.
- Willingness to travel.

**We offer:**

- Being at the forefront of a research and development field that has the potential to change the way we consume information forever.
- Young pioneering team with a flat hierarchy structure.
- Intensive cooperation with international and reputable electronics companies.
- Excellent development opportunities.
- Competitive salary, dependent on qualifications and skills.

We are looking forward to receiving your application.

Applicants must have work permission for the EU.
