

As a startup, we are a worldwide leading provider of laser beam projection displays which enable Tech Giants from Silicon Valley to Asia to unlock their next revolution of Augmented Reality.

To support our B2B marketing activities, we are looking for our office in Vienna with immediate effect a motivated

Working student in Marketing (m/f/d) - 12-20 Hours/Week

Your responsibilities:

- Support our sales activities with sales and marketing relevant information, analysis and materials
- Generate (new) marketing tools in alignment with our new company brand
- Take an active part in our editorial update of our website
- Maintain and expand our presence in our social media channels
- Participation in other marketing projects e.g., in the organization of events

Your qualifications:

- Enthusiastic about marketing for complex technical products
- Student in the field of economics or similar
- Knowledge of online marketing would be ideal
- Preferably first experience through internships or working student activities
- Very good communication skills as well as a goal-oriented way of working and teamwork
- Very good MS Office as well as good German and English skills

We offer:

- Insights & active participation in a startup that has accepted the challenge of selling high-tech products to global B2B customers to improve their augmented reality product and market positioning
- Flat hierarchies within a young & motivated team
- Space for your creativity
- Home office as well as flexible working hours (max. 20 hours per week)
- Insights into each area

We are looking forward to receiving your application.

Please email your CV to hr@trilite-tech.com, with reference to the job title. No cover letter required.

Applicants must have working permission for Austria/EU.
